MEMORANDUM FOR: AFIGO-S
Headquarters USAF

ATTENTION: Colonel Leo P. Geary

SUBJECT: KC-135 Tanker Support for
Project OXCART

REFERENCE: Memorandum to AFIGO-S from DD/R-CIA:
dated 7 March 1963; subject as above

25X1A [Redacted]

1. In accordance with previously agreed procedures, the following request for KC-135 tanker support for the month of May is forwarded for your coordination with Strategic Air Command (SAC).

a. Sorties for A-12 Support:

One tanker on 2, 3, 6, 7, 9, 10, 13, 14, 16, 17, 20, 21, 23, 24, 27, and 28 May. A total of 16 tanker sorties are required for A-12 support. All sorties should be planned to consider two ARCT's four hours apart in order that turn-around A-12 sorties can be accomplished.

b. Sorties for F-101 Support:

One tanker on 1, 8, 15, 22, and 29 May 1963; total of 5 sorties. Night sorties are planned for 15, 22, and 29 May.
